

### **Capital Accountant – Contract Position**

Tourmaline Oil Corp. is a Canadian senior crude oil and natural gas exploration and production company. We are focused on long-term growth through an aggressive exploration, development, production and acquisition program in the Western Canadian Sedimentary Basin.

We are currently looking for a Contract Capital Accountant to join our team for 2 years.

The successful candidate will be responsible for or assist with the following:

- Preparing the monthly capital accrual
- Compare monthly forecast to actuals
- Ad-hoc capital reporting
- AFE administration including review of AFE details
- Working with auditors on a quarterly basis
- Key liaison between the capital accounting group and the capital operations group
- Coordinate with the master data team
- Participate in Corporate continuous improvement projects related to systems and process design
- Participate in the design, development and testing of capital reports
- Miscellaneous project work within the accounting and finance groups as deemed necessary

Description of Candidate:

- Strong understanding of the oil and gas industry, based on 3+ years of related experience
- CPA designation an asset but not required
- Positive attitude, clear communicator, willingness to learn, and a passion to develop quality processes
- Team oriented mentality, and willingness to pitch in whenever and however possible
- Interested in proving yourself and earning your successes
- An appreciation for tight deadlines
- Strong attention to detail and highly organized
- Ability to think on feet and adapt to situations
- Experience with Pandell suite of products an asset, but not required
- Strong excel skills
