

### **Capital Accountant Co-Op Position**

Tourmaline Oil Corp. is a Canadian senior crude oil and natural gas exploration and production company. We are focused on long-term growth through an aggressive exploration, development, production and acquisition program in the Western Canadian Sedimentary Basin.

We are currently looking for a Co-Op Student – Capital Accountant to join our Team on a 8-12 month term (Projected start date of early August 2019).

The successful candidate will be responsible for or assist with the following:

- AFE administration including review of AFE details
- Assisting with coding and assigning invoices, via reviewing location and workflow information
- Liaise between the capital accounting group and the capital operations group, providing invoice coding assistance when required
- Work with the capital accounting group and capital operations group to understand the planned and current projects
- Ensure a keen eye is kept out for the review of invoice and field ticket duplicates
- Miscellaneous project work within the accounting and finance groups as deemed necessary

Description of Candidate:

- Currently enrolled in a post-secondary institution in Calgary, with a business or accounting focus
- Positive attitude, willingness to learn, and a passion to develop quality processes
- Team oriented mentality, and willingness to pitch in whenever and however possible
- Interested in proving yourself and earning your successes
- An appreciation for tight deadlines
- Strong attention to detail and highly organized
- Ability to think on feet and adapt to situations
