

Team Lead, Marketing Accounting Position

We are currently looking for a Team Lead for our Marketing Accounting Team. The position will report directly to the Controller.

Tourmaline Oil Corp. is a Canadian senior crude oil and natural gas exploration and production company. We are focused on long-term growth through an aggressive exploration, development, production and acquisition program in the Western Canadian Sedimentary Basin.

The successful candidate will be responsible for or assist with the following:

- Providing guidance to the Marketing Accounting Team for Oil, Gas, and Liquids net revenue requirements
- Set up or refining processes and procedures to account for new and existing marketing arrangements
- Liaising with Marketing, Production Accounting and Financial Accounting to ensure marketing transactions are accurately accounted for
- Invoicing and settlement of all monthly transactions and coordinating discrepancy resolution
- Inventory balancing and analysis of transportation cost and tariffs, including take or pay
- Preparation of gas pools, and pipeline/oil terminal netback pricing
- Recording of physical and financial revenue transactions, as well as reconciling clearing accounts
- Working with internal and external auditors as required
- Assisting in the analysis of volume and revenue accrual to actual variances
- Miscellaneous project work within the accounting and finance groups as deemed necessary

Description of Candidate:

- Strong understanding of the oil and gas industry, with experience in Marketing accounting, at an intermediate/senior producer
- Midstream experience would be an asset
- Solid understanding of complex and/or cross-border marketing arrangements
- Supervisory experience preferable
- Prior Production Accounting experience
- Proven team player with the ability to develop and maintain collaborative working relationships, while demonstrating a high level of cooperation and mutual respect
- An appreciation for tight deadlines
- Strong attention to detail and highly organized
- Ability to think on feet and adapt to situations
- Strong excel skills
- Experience with other marketing software would be an asset
