

## Marketing Accountant

Tourmaline Oil Corp. is a Canadian senior crude oil and natural gas exploration and production company. We are focused on long-term growth through an aggressive exploration, development, production and acquisition program in the Western Canadian Sedimentary Basin.

We are currently looking for a Marketing Accountant to join our Marketing Accounting Team.

The successful candidate will be responsible for or assist with the following:

- Preparation and recording of monthly gas and liquid pools, netback and terminal pricing calculations and hedging transactions
- Work with the Marketing, Production and Financial Accounting teams to ensure pools and other transactions are accurately accounted for, and outstanding items are resolved in a timely manner.
- Provide input on process improvements within the Marketing Accounting team
- Assist with monthly analytics and ad hoc projects
- Provide desk coverage for other team members
- Other duties will include account reconciliations, responding to auditor requests in a timely manner, the verifying and recording of 13<sup>th</sup> month transportation adjustments, coding of trucking invoices and government reporting

Description of Candidate:

- 5 to 7 years experience in Marketing accounting, or Production accounting, at an intermediate to senior oil and gas producer, or midstream company
- Proven team player with the ability to develop and maintain collaborative working relationships, while demonstrating a high level of cooperation and mutual respect
- Strong attention to detail, highly organized with an appreciation for tight deadlines
- Excellent communication skills with the ability to respond quickly to inquiries
- Strong working knowledge of Excel and other Microsoft products
- Experience with Metrix, Petrinex, OpenInvoice, or Eka invoicing software would be an asset
