

## **Junior Financial Reporting Analyst Position**

Tourmaline Oil Corp. is a Canadian senior crude oil and natural gas exploration and production company with approximately 300 employees and 400 contract workers. We are focused on long-term growth through an aggressive exploration, development, production and acquisition program in the Western Canadian Sedimentary Basin.

We are currently looking for a Junior Financial Reporting Analyst to join our Finance and Financial Reporting Team.

The successful candidate will be responsible for or assist with the following:

- Assist with the quarterly financial reporting process, including (but not limited to) consolidations, lead-sheet preparation, high-level accounting entries, calculation of some of the more complex entries, for example: decommissioning liabilities, depletion, foreign exchange, stock-based compensation
- Assisting in the preparation of the quarterly financial statements and MD&A
- Preparation of monthly/quarterly account reconciliations as well as regular internal financial analysis and reporting
- Assisting with the preparation of the monthly reporting package for management, including variance analysis
- Provide accounting support to other members of the finance team, including data gathering, analysis, modeling, etc.
- Ad-hoc financial analysis

Description of Candidate:

- CPA with 0-2 years post designation experience
- Experience in the oil and gas industry, preferably E&P companies
- Experience with publicly listed Canadian companies
- Hard-working and willing to take on challenges
- Takes initiative when it comes to completing all necessary tasks
- Able to work in a team environment as well as independently
